SB 465 (Hill) Amended that Would Require Contractors to Report Settlements

Several months ago we discussed SB 465 (Hill) which was introduced in reaction to the June 16, 2015 tragedy when the balcony at the Library Gardens Apartments in Berkeley, CA collapsed, killing six students and injuring seven others. What convinced the author to carry the bill was the fact that notably, over the past three years, the company paid out \$26.5 million dollars in construction defect settlements. According to the author, there is no provision in current law to require notification to the CSLB that these settlements had taken place; thus the board couldn't perform their due diligence to ascertain if the settlements were due to shoddy workmanship or worse.

To correct this oversight, the measure would have required all contractors to report any settlement of \$25,000 or more to the CSLB in order for the board to determine if problems with the contractor existed that warranted a citation, suspension or revocation of the license. Unfortunately, since construction is highly litigious, it would have created lots of extra work for contractors, overburdened the CSLB staff and ultimately, not worked for the aforementioned reasons.

Due to major opposition from the construction industry, which emanated during an informational hearing, the following amendments have been offered. While better, **the bill still requires contractors to notify the CSLB on all settlements of an amount to be determined by the CSLB.** Highlights of the amendments include:

1). **Section 7021 is added to Business and Professions Code**

- (a) By January 1, 2018, the board shall enter into an interagency agreement with the Division of Occupational Safety and Health to ensure that any citation, fine, or any other actions taken by the division against a licensed contractor, along with any other information the division may possess regarding a licensed contractor, is timely reported to the board.
- (b) By January 1, 2018, the board shall enter into an interagency agreement with any other state or local agency the board deems to be in possession of any information relevant to its priority to protect the public described in Section 7000.6.

2). **Section 7071.18 is added to the Business and Professions Code:**

- (a) Notwithstanding any other law, a licensee shall report to the registrar in writing the occurrence of any of the following within 90 days after the licensee obtains knowledge of the event:
 - (1) The conviction of the licensee for any felony.
 - (2) The conviction of the licensee for any other crime that is substantially related to the qualifications, functions, and duties of a licensed contractor.

The bill passed yesterday 12-0 with 4 abstentions out of the Assembly policy committee and will be heard next in the Appropriations Committee.

To read the amended bill go to: http://www.leginfo.ca.gov/pub/15-16/bill/sen/sb_0451-0500/sb_465_bill_20160608_amended_asm_v95.pdf

<u>NOTICE INVITING LICENSED CONTRACTORS</u>						Addenda: 0
	12/30/16	5:00 PM	16-01553		Carmel	
Plan Issuer:	Carmel Unified School District	dpaul@carmelunified.org			831-624-6311	

Notice is hereby given that the Board of Education for the Carmel Unified School District has elected to utilize the alternative bidding procedures set forth in Public Contract Code section 22032 et seq. and shall develop and maintain a list of qualified contractors, identified according to categories of work, in accordance with the provisions of Public Contract Code section 22034 and criteria that the California Uniform Cost Accounting Commission promulgates from time to time. Notice is further provided that District is inviting all licensed contractors to submit the name of their firm to the District for inclusion on the District's list of qualified bidders for the 2016 calendar year.

Persons or companies interested in being included on the District's list of bidders for the 2016 calendar year shall provide the name and address to which a Notice to Contractors or Proposal should be mailed, a phone number at which the contractor may be reached, the type of work in which the contractor is interested in doing and currently licensed to do (earthwork, pipelines, electrical, painting, general building, etc.), together with the class of contractor's license(s) held and contractor license number(s).

Contractors interesting in being included on the District's list of bidders for the 2016 calendar year may submit the above-described information in person or by U.S. Mail to:

Carmel Unified School District
Attn: Dan Paul
PO Box 222700
Carmel, CA 93922

It is the sole responsibility of the person submitting such information in person or by U.S. Mail to ensure that is delivered to the District and includes all requested information. Any contractor providing a submittal that lacks the information set forth herein will not be added to the District's list of prequalified bidders for the 2016 calendar year.

Addenda: 0

Prebid Conf: 6/22 10:30a Meet at the 22nd St. Bridge in Oceano, where 22nd St. crosses the Arroyo Grande Creek. RSVP: Please contact Rich Rose in the PW Dept. at (805) 781-5239 or rrose@co.slo.ca.us to RSVP by 6/21 5p

ELECTRONIC RESPONSES THROUGH PUBLIC PURCHASE ONLY.

COMPLETION OF VENDOR REGISTRATION PROCESS CAN TAKE 24 HOURS.

The Project requires a qualified contractor to provide professional services to perform the annual vegetation thinning in Arroyo Grande Creek and Los Berros Diversion Channels in the area known as Flood Control Zone 1/1A. Work will begin during the week of August 15, 2016 and will be completed on or before October 15, 2016. The contractor shall trim and remove willows, other trees, and invasive plant species. As described in the project tasks, invasive plants shall be removed prior to willow trimming in order to prevent their spread. In addition, the contractor shall chip and/or remove all vegetation cuttings from the project site as described in the project tasks. All work shall be performed in the presence of the District's biological monitor and using only hand tools and allowable heavy equipment. The contractor shall mow levee tops and hedge vegetation on the outside slope of levees that encroach or prohibit access over the top of the levee. The contractor shall read and understand all permit requirements.

This is a prevailing wage project.

NEW <u>RIVERSIDE CORRIDOR PROJECT - 10TH TO 12TH AND AT 14TH</u>

NEW [RIGHT-OF-WAY AND PROPERTY ACQUISITION SERVICES](#)**Addenda: 0****7/20/16 2:00 PM** 16-01703 50410.2016.ROW San Luis Obispo

Plan Issuer: City of San Luis Obispo 805-783-7108 805-781-7198

The City of San Luis Obispo is requesting sealed proposals from interested consultants for Right of Way Acquisition Services. The City proposes to select several qualified consultants to perform these services on an as-needed basis for specific individual projects for a contract term of approximately two years.

In general, required services shall consist of various property acquisition services related to the City's Capital Improvement Plan or other City projects to ensure projects have necessary property rights for construction of the project and to provide other property information as needed.

NEW [LAND SURVEYING SERVICES SPECIFICATION](#)**Addenda: 0****7/20/16 2:00 PM** 16-01704 50410.2016.LS San Luis Obispo

Plan Issuer: City of San Luis Obispo 805-783-7108 805-781-7198

The City of San Luis Obispo is requesting sealed proposals from interested consultants to provide Surveying Services required for City capital improvement projects. The City proposes to select several qualified consultants to perform these services on an as-needed basis for specific individual projects for a contract term of approximately two years.

In general, required services shall consist of various land surveying services related to the City's Capital Improvement Plan or other City projects to ensure projects are constructed in accordance with the contract documents and City requirements.

NEW [CIVIL ENGINEERING DESIGN SERVICES](#)**Addenda: 0****7/20/16 2:00 PM** 16-01705 50410.2016.CE San Luis Obispo

Plan Issuer: City of San Luis Obispo 805-783-7108 805-781-7198

The City of San Luis Obispo is requesting sealed proposals from interested consultants to provide for Civil Engineering Design Services required for City projects. The City proposes to select several qualified consultants to perform these services on an as-needed basis for specific individual projects for a contract term of approximately two years.

In general, needed services consist of various civil design activities related to the City's Capital Improvement Plan or other City projects. Selected Consultants will prepare high quality construction plans and specifications in accordance with City requirements and standards.

NEW [ARCHITECTURAL DESIGN SERVICES](#)**Addenda: 0****7/20/16 2:00 PM** 16-01706 50410.2016.AD San Luis Obispo

Plan Issuer: City of San Luis Obispo 805-783-7108 805-781-7198

The City of San Luis Obispo is requesting sealed proposals from interested consultants to provide for Architectural Design Services required for City projects. The City proposes to select several qualified consultants to perform these services on an as-needed basis for specific individual projects for a contract term of at least two years.

In general, needed services consist of architecture design and facility study services related to the City's Capital Improvement Plan or other City projects. The selected consultants will prepare master planning documents along with high quality construction plans and specifications, in accordance with the contract documents and City requirements and standards. The City is currently interested in consultants with public facility and public safety facility master planning, assessment and design experience.

[SINSHEIMER PARK PLAYGROUND RENOVATION](#)**Addenda: 0****7/21/16 2:00 PM** 16-01668 90650 San Luis Obispo

Plan Issuer: City of San Luis Obispo \$529,700 805-781-7200 805-781-7198

In general the project includes a complete renovation of the existing Sinsheimer Park playground area. The project involves removing and disposing of play equipment, foundations, sand, concrete flatwork and curbs, asphalt walks, trees and landscaping, rubberized surfacing and concrete bases, embankments, grading and compacting, installation of city-furnished play equipment, installation of drainage system, gravel, filter fabric, and wood fiber surfacing, concrete curbs, walkways, flatwork, retaining walls and access ramps, picnic tables, benches, trash receptacles, installation of irrigation system, landscaping, erosion control and other improvements as shown on the plans.

NEW [RFQ DESIGN BUILDER PREQUALIFICATION FOR 3412 MODULAR STUDENT HOUSING](#)**Addenda: 0****7/20/16 2:00 PM 16-01722 3412 Santa Cruz \$40,000,000 to \$60,000,000****831-459-2366 831-459-5540**

Plan Issuer: UCSC Physical Planning & Construction

The University's primary objective in utilizing the design build approach is to bring the best available integrated design and construction experience to this project. The University has determined that proposers who submit proposals on this project must be prequalified. Prequalified proposers will be required to have the following California contractor's license: General Building Contractor, CSLB Licensing Classification B.

In order to meet housing demand for new students and students with guaranteed housing in the near term, a temporary modular student housing project has been proposed for occupancy in Fall 2017. The initial program includes at least 350 – 600 beds in one, two, or three-story pre-fabricated modular housing units for second-year students located on the campus. Two sites have been identified: the first is an open meadow grassland adjacent to a recreational facility. The second is a wooded forest in the northwest corner of the campus adjacent to the North Remote Parking Lot. Both sites are approximately 150,000 sf.

The scope of the project includes developing the appropriate scales of community to support undergraduate housing. Units are anticipated to include single and/ or double rooms with a small kitchenette, living space and bathrooms. Modular unit clusters would be supported by a laundry facility with multipurpose community space and a communal kitchen. Pedestrian connections and improved transit options to strengthen links to the academic core will also be considered.

A parallel project will be providing new infrastructure and utilities to each site; the design-build team will assume a single point of connection for all infrastructure and utility work within the site boundary.

The Prequalification documents will be available AFTER 6/27/16

[NOTICE TO INTERESTED GENERAL AND SPECIALTY CONTRACTORS](#)**Addenda: 0****12/30/16 5:00 PM 16-00733 Santa Cruz County**

Plan Issuer: Housing Authority of Santa Cruz Co.

831-454-5928 831-469-3719

The Housing Authority of the County of Santa Cruz requests responses from qualified General Contractors and Specialty Contractors, including but not limited to: Concrete, Electrical, Painting, Plumbing, Roofing and similar specialty classifications. The Housing Authority is developing a list of pre-qualified contractors to provide construction services for a variety of on-going facility maintenance and modification projects – including vacant unit turnovers, service work and similar. Contractors will be evaluated based on the nature of services required and the qualifications of the Contractor. Depending on nature and location of work, select prevailing wage rates will apply to jobs.

Interested Contractors must complete a "Contractor Information" form. Contractors must submit completed forms to the Housing Authority office located at:

Housing Authority of the County of Santa Cruz

2931 Mission St.

ATT: Peter Rogers

Santa Cruz, CA 95062

This Notice will remain open - there is no deadline for submitting a written "Contractor Information" forms.

Please contact Peter Rogers at 831-454-5928 with questions.

Are you covering the cost of your Employee's Individual Medical Policy?

Central Coast Builders Association

6/20/2014

Caution for Individual Policy Reimbursement

The IRS uses a FAQ on Employer Health Care Arrangements to highlight the potential liability for employers that, rather than establishing a group health plan, merely reimburse employees for the cost of their individual health plan premium.

Q1. What are the consequences to the employer if the employer does not establish a health insurance plan for its own employees, but reimburses those employees for premiums they pay for health insurance (either through a qualified health plan in the Marketplace or outside the Marketplace)?

The IRS makes it clear that the consequence is that the employer may face a penalty.

Specifically, as explained in [Notice 2013-54](#), employer reimbursement plans are considered to be group health plans and therefore subject to the market reforms, including the prohibition on annual limits for essential health benefits and the requirement to provide certain preventive care without cost sharing. Notice 2013-54 clarifies, however, that employer reimbursement plans cannot be integrated with individual policies to satisfy the market reforms.

Consequently, the employer may be subject to a \$100/day excise tax per applicable employee (which is \$36,500 per year, per employee) under [Code Sec. 4980D](#).

Let us help design your program to avoid this penalty.

*By Mike Carlson, Builders Association Health Plan
mcarlson@eraford.com or 415-755-6325*

*Changes to
expect:
...*

For plan years beginning on and after January 1, 2014, employers should carefully evaluate arrangements under which they reimburse employees for premiums, or are otherwise involved in the purchase of individual health insurance policies that provide non-excepted medical coverage (i.e., coverage that is subject to health care reform's mandates) for employees. These arrangements create significant compliance concerns under health care reform. Furthermore, these individual policies should not be paid for or reimbursed on a pre-tax basis under an employer's cafeteria plan. As described in more detail (left).

BUILDING INSPECTOR II

\$4,896 - \$6,683 Monthly

The County of Monterey seeks a results-oriented individual who demonstrates excellent leadership and management skills to join the Building Services Division of the Monterey County Resource Management Agency.

The Building Inspector II will conduct on-site inspections and investigations in all of the following areas: structural, electrical, plumbing, heating, ventilating, air conditioning, refrigeration, sewer, water, gas, disposal and grading. This position requires a significant amount of independent judgment in advising builders of possible modifications to bring construction into compliance with codes and ordinances.

Safety Tip of the Week

DRINKING & DRUGS - NOT ON THE JOB

All of us know that certain drugs are illegal, and that drinking or drug use can lead to both physical and mental impairment, and also that state and federal laws prohibit or regulate the use of drugs and alcohol. Catchy phrases such as 'Drinking and driving don't mix', 'Just say no to drugs', 'MADD, Mothers against drunk driving' and 'D.A.R.E. to keep kids away from drugs' serve as reminders and warnings of the dangers associated with drug abuse and the irresponsible use of alcohol. We also need to be concerned about those who use these substances on the job.

The nature of our work demands total concentration on what we are doing. One slip could cause a serious injury or even death -- and the victim could be you or a co-worker. Certainly the jobsite is no place for anyone using drugs or alcohol. Construction activities require employee alertness -to constant changes on the site and the ability to follow safe work practices to prevent accidents.

Experts suggest that 14% of workers use some type of substance on the job, and that 50% of those users try to sell drugs to other employees. Drug and alcohol users are more prone to have accidents, reduced productivity, increased tardiness and absenteeism, and poor quality work.

It is up to you to avoid becoming a statistic, and to make your workplace safe and productive. If you suspect that a co-worker is abusing alcohol and/or drugs, don't help them continue their habit, speak to your supervisor. Covering up a problem can lead to a potential incident and innocent workers could be hurt due to the impaired actions of a person who is a drug user or one who has a drinking problem. Many companies now offer an 'Employee Assistance Program' designed to help their employees 'kick the habit' -- or your supervisor may refer them to programs in the community where they can get help and counseling.

If you are a drug user, GET HELP! If you abuse alcohol on or off the job, GET HELP!

The holidays will soon be here. Don't allow substance abuse to destroy the joy of the season.

EVERYONE LIKES TO HAVE A GOOD TIME, BUT WHEN ALCOHOL IS INVOLVED, BE SURE TO APPOINT A RELIABLE DESIGNATED DRIVER BEFORE THE PARTY STARTS!

Workers Compensation Insurance

Developed by California Exchanges for the Construction Industry

Golden State Builders Exchanges (GSBE) in partnership with Tangram Insurance Services is excited to present a new insurance program developed specifically for the construction industry. Golden State Builders Exchanges (GSBE) Contractor Program, Powered by Tangram, is committed to improving the safety and risk management of the construction community as well as providing savings and stability to its members.

The Golden State Builders Exchanges (GSBE), an organization represented by your local exchange, understands the construction economy and how insurance costs can impact an organization's bottom line. We support your growing business by providing a competitive contractors group plan.

ACCESS TO THE PROGRAM

This program can be accessed by any licensed broker representing a GSBE member.

Please have your broker request a quote through gsbesubmissions@tangramins.com or call (707) 781-7381.

Please include the following criteria with each submission:

- Exchange Group Number
- Acord
- Supplemental
- 5 years of current loss runs

In the event you do not have a broker and would like to access the program, you can request a quote through gsbe@selectsolutions.com or call (866) 500-6359 for more information.

PROGRAM DETAILS

- Insurance Program and safety services are available to active, participating exchange members
- Group policyholders must be members within 30 days of policy inception. Membership info can be found at www.gsbe.net
- Meet Tangram's underwriting standards and guidelines for eligibility in our program
- Apart from your annual insurance buying process, GSBE and Tangram strive to support your safety and risk management training and education to maintain an optimal premium rate

Take advantage of this discounted workers compensation program now. Contact us today for a quote!
