Employers have a legal obligation to establish an effective injury and illness prevention program to promote health and safety in the workplace. Complying with safe and healthful work practices, includes first aid kits easily accessible to each work area, and training of at least one employee on each shift currently qualified to render first aid. Contractors are required, by law, to have an employee certified in CPR/First Aid on each job site. Sessions have limited space so register early.

This course is designed to provide skills in CPR, First Aid & Automated External Defibrillation (AED). Students will learn adult CPR, rescue breathing and choke saving. Upon successful completion, students will receive the American Red Cross CPR & First Aid Certificate. Both CPR & First Aid Certificates are valid for 2 Years.
